For further information:

Leeds Bradford Airport – 0113 250 9696

Manchester Airport – 0161 489 3000

Car Parking Access

Access to the basement car park is by security cardkey controlled barriers on both the entry and exit. The barriers are monitored by closed circuit television (CCTV). Authorised staff have cardkeys programmed by Security to allow access to the car park. The barriers will not permit unauthorised staff to pass and attempting to tailgate risks damaging cars. Authorised staff must not attempt to tailgate, but use their cardkeys when entering or leaving the car park.

Visitor parking is available but limited and should be booked by your host prior to arrival.

For access to the car park when the shutter is closed, please contact the Security desk on xt 69036.

Car parking Allocation

Car parking is strictly controlled. Permanent spaces for authorised staff are allocated by specific business areas in accordance with the buildings Car Parking Policy.

The allocation excludes disabled spaces which will be distributed as required in addition to the business area's allocated quota. However, once the disabled parking allocation is exhausted,

business areas are expected to accommodate additional disabled spaces from their general allocation.

Staff entitled to a car park should make sure that vehicles are made secure when parked in the basement. Vehicles are parked at the owners' risk.
